why **Y**? what is the Gen **Y** Club?

The Gen **Y** Club is a great teen savings and financial education club specially created for Century Credit Union members. It's all about learning how to manage money and finances — and have fun at the same time. Really, it's all about **Y**ou and what **Y**ou want to do!

what can **Y** do for **U**?

First of all, Gen **Y** gives **Y**ou a jump start on your future by giving you the tools you need to succeed. Things like:

- ◇ savings accounts
- ◇ checking accounts
- ◇ ATM cards
- ◇ VISA credit cards

And more! By learning to use your own, real money to make real-life decisions, you'll learn great saving and spending habits. And Century Credit Union will be with **Y**ou every step of the way while you're learning to do things that really matter, like:

- ◇ balancing a checkbook
- ◇ learning to budget and plan ahead
- ◇ building credit and managing it
- ◇ applying for an auto loan
- ◇ shopping for the best values
- ◇ learning to negotiate
- ◇ practicing setting limits

Being a part of the Gen **Y** Club is one of your first steps towards making the most of your money!

Y4U rewards

Every time you visit Century Credit Union to make a deposit of \$5 or more, bring your **Y4U** Rewards stamp card. Each new stamp is worth one dollar and each **Y4U** Rewards card holds up to **\$25** worth of stamps. Need some cash? Trade in your **Y4U** Rewards card for a **VISA Gift Card**. Now that's spendable!

e**Y**ewitness: news **U** can use

Every quarter with your credit union statement, you'll receive a copy of **eYewitness**, the Gen **Y** Club's informative and entertaining newsletter. Get tips about money, fun tidbits, and up-to-date info about what's going on at Century. We might even do a feature about **Y**ou!

In addition to **eYewitness**, you'll have access to the **CU Succeed** website (at www.centurycu.org), developed for teen credit union members nationwide. This site is updated regularly with items that will help you stay informed. And check out the easy-to-use financial calculators!
