

# Go Check- Free!

# And “C” the Difference!

Century Credit Union introduces the Check Card. Just “C” the difference!

**Convenience** Leave your checkbook at home and cruise through checkout lines with no hassles or hang-ups. Experience the difference of the Century Check Card.

**Credit Card? Not exactly!** The Check Card withdraws funds from your *checking* account at the time of purchase. No bills to pay off! But the VISA name gives you worldwide acceptance—anyplace you’d use a credit card!

**Consumer Protection** When you pay, be sure to select **CREDIT** for “transaction type” and sign your sales slip to enjoy VISA’s Zero Liability protection against unauthorized purchases. It’s safer than cash or checks!

**Confidential** No need to produce ID or share an address and phone number printed on checks.

**Complete** One Century Check Card does it all. Make purchases with merchants displaying the VISA logo (select **CREDIT**), or use the card to make ATM withdrawals and transactions (use your personal identification number, or PIN).

**Cool Stuff** When you select **CREDIT** at the time of purchase, you’re eligible to earn VISA Rewards points, which translate into merchandise rewards: dinner, movies, merchandise, gift cards, and more. Visit our website at [www.centurycu.org](http://www.centurycu.org) and follow the links to “VISA Rewards” to enroll.

**Care-Free Checking** Itemized monthly statements, with merchant names, make record-keeping easy. For the fastest, safest statement delivery, you can even choose **free e-Statements!**

## Maximize the Value of Your Century Check Card

Use the “C” on your Century Check Card as a reminder to select **CREDIT** when you pay, to ensure the greatest protection with every purchase. Plus, it’s your ticket to VISA Rewards!
