

Getting set up for Mobile Banking:

You will need to do 2 things to use the new Mobile App:

- 1) Delete your old Century app. Now download the new app from your own Apple or Android app store. It will be effective on September 1st.
- 2) To establish your new Username and Password, you will need to set these up in the new Online Banking service that you can access through our website. That name and password will be the same for your Mobile. See instructions below when you go to our website and go to the Online Banking login box.

Cheat Sheet for New Online Banking setup

1. NetTeller Username is your current Primary Acct # used to access homebanking: Acct #
2. For your initial temporary password use ccu# with the last 4 digits of your SS#. Ex: ccu#XXXX
3. Read and accept the agreement.
4. Choose a New NetTeller Username 
5. Setup your New Password
Enter current password from step 2 ccu#XXXX

Enter your New Password : 
6. Choose a Security image and set up challenge questions. *You will always see a chosen image to verify the site
*You will have 3 questions for security
*You will establish a Password Reset Question

Enter Your Account number

This Username must be:

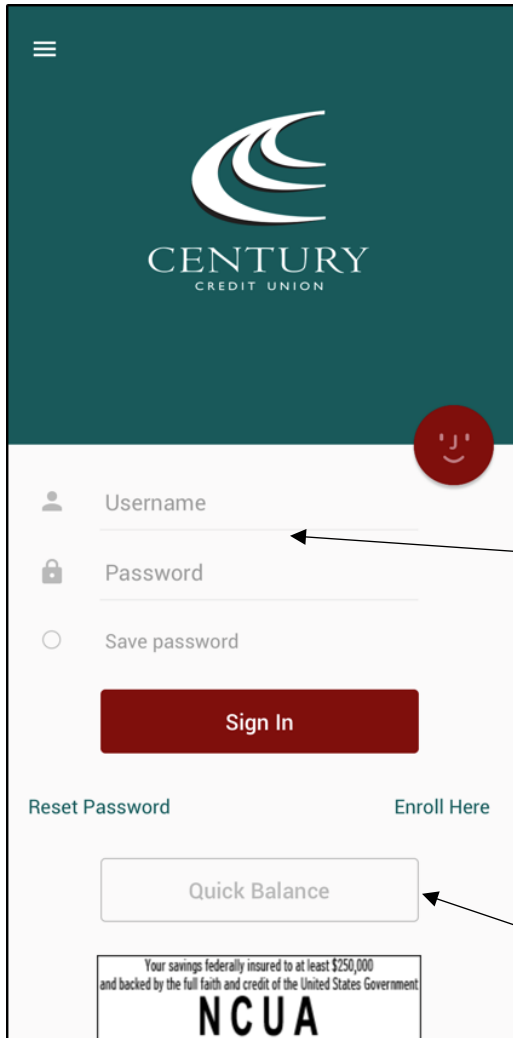

- Minimum 6 digits
- Can't be your Acct #
- Must begin with a letter
- Can be alpha or numeric
- No special characters
- Is Not Case Sensitive

New Password must be:

- Minimum 8 digits
- Need at least 1 alpha
- Need at least 1 numeric
- Can have special characters – (not @)
- Password Is Case Sensitive

Now that you have that, you are ready to access the new Mobile app.

This is the home screen for the Century Mobile App

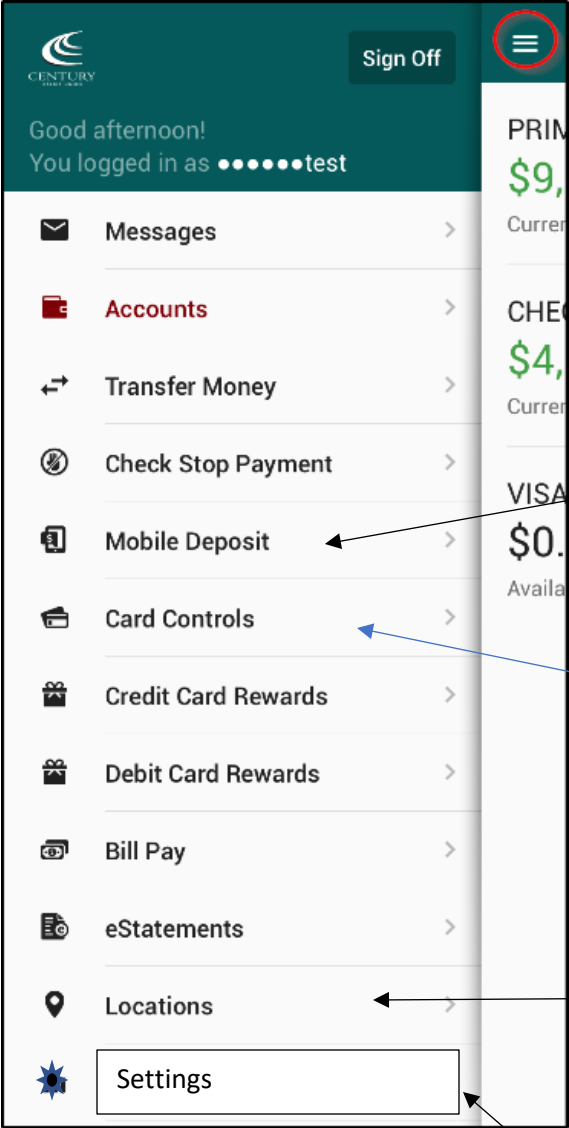

You can set up access to your Mobile account with a fingerprint, if your phone is set up for that. Go to Settings to do that.

This is the Username and Password you just set up for Online Banking

You can set up the Quick Balance button in Settings, to show you balances on multiple accounts, such as Savings or Checking.
