Social Distancing in the Summer

Summer is usually a time to get together with friends and family and to enjoy some time off of school. With the COVID-19 Pandemic this year, summer is looking different for everyone. If you go to the credit union with your mom or dad, you may notice it looks a little different inside there too.

At Century Credit Union

While cautiously returning back to our normal business hours and routines, we are abiding by the CDC guidelines to keep both staff and our members safe. You may notice there are some changes in the lobby, including:

- Maximum of 4 members allowed in the lobby
- Please use the hand sanitizer wipes at the lobby entrance
- Germ Shields are up at the teller stations
- Signs on the floor, providing direction to travel
- Also, note that our lobbies are closing 30 minutes early each evening for cleaning/sanitizing.
- Drive Thru is open normal business hours.

Each summer, the Credit Union hosted a movie night for our Kids and Teens, however with the current pandemic and regulations in place, we will not be hosting our normal movie night. We would still like to show our Kid and Teen Members our appreciation though! On the back side of this newsletter, there is a form you can return to the credit union (or with the help of a parent, you can submit your answers via email). Once the credit union receives your form, **we will credit your account \$5! Every Kid/Teen member who returns their form, will also be included in a drawing to win \$100!***

**Be sure to include your first and last name so we can identify your account. Form/Email must be returned by 7/31/20 in order to receive \$5 credit and be entered into the drawing. Credit will post to your account during the first week of August. Winner of the drawing will be announced on Friday, August 7, 2020.*

COMPLETE THIS FORM AND RECEIVE \$5
