Social Distancing in Summer

Summer is usually a time to get together with friends and family and to enjoy some time off of school. With the COVID-19 Pandemic this year, summer is looking different for everyone.

At Century Credit Union

While cautiously returning back to our normal business hours and routines, we are abiding by the CDC guidelines to keep both staff and our members safe. You may notice there are some changes in the lobby, including:

- Maximum of 4 members allowed in the lobby
- Please use the hand sanitizer wipes at the lobby entrance
- Germ Shields up at the teller stations
- Signs on the floor, providing direction to travel
- Also, note that our lobbies are closing 30 minutes early each evening for cleaning/sanitizing.
- Drive Thru is open normal business hours.

Each summer, the Credit Union hosted a movie night for our Kids and Teens, however with the current pandemic and regulations in place, we will not be hosting our normal movie night. We would still like to show our Kid and Teen Members our appreciation though! On the back side of this newsletter, there is a form you can return to the credit union. Once the credit union receives your form, **we will credit your account \$5! Every Kid/Teen member who returns their form, will also be included in a drawing to win \$100!***

*Be sure to include your first and last name so we can identify your account. Form/Email must be returned by 7/31/20 in order to receive \$5 credit and be entered into the drawing. Credit will post to your account during the first week of August. Winner of the drawing will be announced on Friday, August 7, 2020.

Congrats to the class of 2020!

Best of luck in all your future endeavors!

*From your Friends

If you could change one thing about Century Credit Union, what would it be:

HOW TO STAY BUSY DURING A PANDEMIC

Tired of being cooped up in the house? Here are some ideas for you to keep busy this summer while our community is cautiously trying to re-open.

1. Learn a new skill or hobby: gardening, wood-working, a new language
2. Clean up your neighborhood: take a family walk and pick up trash you see along the way.
3. Exercise: many of our parks are opening back up and this is the perfect way to explore a new trail or walk through nature.
4. Facetime or have a Zoom meeting with your friends: while maintaining social distancing guidelines, you can still connect with your friends and family.
5. Read a book
6. Have a family game night, or complete a puzzle together.

However you choose to spend your time, please stay safe!
